Practical Business Notes (Optional for Catalog / Sales)

- **Most commonly used types** in Oil & Gas, Chemical, and Water industries: **Type B, C, D**
- **Recommended export or project supply:**
 - Line connection: A / B / C / D
 - Storage & protection: **DC + DP set**
- For long-term business sustainability, bundling into **standard Camlock Kits** rather than single-item sales improves inventory control and margin stability.
